## Marine Corps League

Dear Mr. William:

On behalf of the Boise VAMC patients and staff, We would like to extend our appreciation to you for your donation of items for the patient Christmas party and the craft program. Your thoughtfulness reflects the concern that you feel for our veterans and the service they provided to all of us while in service to our country.

Without your support, we could not provide for the smaller niceties that make hospitalization more bearable. Your Thoughtfulness also reflects the concern and compassion that our community feels for our veterans.

Thank you for your continued support.

Sincerely  
Sharon N. Clark  
Chief, Voluntary Services

## LIVING WILL

A man and his wife were sitting in the living room. He said to her, Just so you know--I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug."

His wife got up, unplugged the TV and threw out all of his beer.
